Under Sri Ramakrishna Ashrama Charitable Hospital

PROSPECTUS
2026–2027

POST BASIC B.Sc. NURSING

Two-Year Degree Programme

Compassion • Competence • Service

1. About the Institution

Sri Sarada College of Nursing, Nettayam, Thiruvananthapuram, functions under the auspices of Sri Ramakrishna Ashrama Charitable Hospital, an institution associated with the ideals and service activities of Sri Ramakrishna Math and Ramakrishna Mission.

The institution is committed to imparting quality nursing education by integrating academic knowledge, clinical expertise, professional ethics, compassion and service to humanity.

The college aims to prepare competent nursing professionals capable of meeting the changing healthcare needs of society and contributing effectively to the nursing profession.

2. About Sri Ramakrishna Ashrama Charitable Hospital

Sri Ramakrishna Ashrama Charitable Hospital, Thiruvananthapuram, has a long-standing tradition of healthcare and service to the community. The hospital provides a clinical learning environment where students can gain experience in patient care, nursing procedures, teamwork and professional responsibility.

Clinical education is intended to help students develop the knowledge, skills and attitudes necessary for safe, effective and compassionate nursing practice.

3. Vision

To develop professionally competent, compassionate, ethical and socially committed nurses who contribute to quality healthcare and the welfare of humanity.

4. Mission

- To provide quality nursing education in accordance with prescribed academic and professional standards.
- To develop clinical competence, critical thinking and leadership skills among students.
- To inculcate professional ethics, discipline, responsibility and compassion.
- To promote evidence-based nursing practice and lifelong learning.
- To prepare nurses for leadership roles in clinical practice, education, administration and community healthcare.

5. About the Post Basic B.Sc. Nursing Course

Post Basic B.Sc. Nursing is a two-year undergraduate degree programme designed for qualified Registered Nurses who wish to advance their academic knowledge, professional competencies and career opportunities.

The programme provides opportunities for nurses to strengthen their theoretical knowledge, improve clinical practice, develop leadership and managerial abilities and acquire skills in teaching, research and evidence-based nursing.

6. Duration of the Course

The duration of the Post Basic B.Sc. Nursing programme shall be two academic years, subject to the regulations of the concerned University and statutory nursing councils.

7. Eligibility for Admission

Candidates seeking admission to the Post Basic B.Sc. Nursing programme shall satisfy the eligibility requirements prescribed by the competent authorities, including:

- Successful completion of General Nursing and Midwifery (GNM) from a recognised institution.
- Registration as a Registered Nurse and Registered Midwife with the State Nursing Council.
- Satisfying the prescribed academic, experience and other eligibility requirements applicable to the academic year of admission.
- Medical fitness for undertaking the course.

Eligibility shall be subject to the rules and regulations prescribed by the Indian Nursing Council, Kerala Nurses and Midwives Council, Kerala University of Health Sciences and other competent authorities, as applicable.

8. Admission Procedure

Admission shall be made in accordance with the applicable Government orders, University regulations, Nursing Council requirements and the admission procedure prescribed for the academic year 2026–2027.

Candidates shall submit the prescribed application along with the required documents within the stipulated time.

Admission will be confirmed only after verification of original certificates and fulfilment of all eligibility conditions.

9. Documents Required at the Time of Admission

Candidates shall produce the following documents, as applicable:

- SSLC/10th Certificate as proof of date of birth.
- Plus Two certificate and mark list, wherever required.
- GNM Diploma Certificate.
- GNM mark lists.
- Nursing Council Registration Certificate.
- Experience Certificate, if required under applicable regulations.
- Transfer Certificate.
- Course and Conduct Certificate.
- Migration Certificate, if applicable.
- Nativity/Community certificates, if applicable.
- Medical Fitness Certificate.
- Passport-size photographs.
- Other certificates required by the admission authority.

10. Academic Programme

The programme includes theoretical instruction, practical training, clinical experience, assignments, seminars, projects and other learning activities prescribed by the University and Nursing Council.

The course is intended to strengthen knowledge and competencies in areas such as:

- Nursing foundations and professional practice
- Medical and surgical nursing
- Community health nursing
- Maternal and child health nursing
- Mental health nursing
- Nursing education
- Nursing administration and management
- Nursing research and evidence-based practice

The curriculum and subjects shall be as prescribed by the competent University and regulatory authorities.

11. Clinical Training

Clinical training is an integral component of the programme. Students shall undergo supervised clinical learning in relevant healthcare settings to develop competence in:

- Patient assessment and nursing care
- Nursing procedures and clinical skills
- Infection prevention and patient safety
- Communication and counselling
- Documentation and reporting
- Teamwork and coordination
- Clinical decision-making and professional accountability

Clinical postings shall be arranged in accordance with the prescribed curriculum and institutional requirements.

12. Facilities Available

The college strives to provide an academic environment conducive to professional education, including:

- Classrooms and lecture facilities
- Nursing skills and demonstration laboratories
- Library and learning resources
- Clinical learning opportunities
- Computer and digital learning facilities
- Academic guidance and student support
- Co-curricular and extracurricular activities

13. Library and Learning Resources

The college library supports academic learning and professional development through nursing textbooks, reference materials, journals and other educational resources.

Students are encouraged to develop reading habits, undertake independent learning, participate in seminars and keep abreast of developments in nursing and healthcare.

14. Student Welfare and Professional Development

The institution encourages students to maintain a balanced academic and professional life through participation in:

- Seminars and workshops
- Conferences and academic activities
- Health awareness programmes
- Community service activities
- Professional nursing celebrations
- Cultural and extracurricular programmes

Students shall be encouraged to uphold the values of compassion, service, integrity, respect and professional responsibility.

15. Attendance, Discipline and Conduct

Students shall comply with the attendance requirements, academic regulations, clinical posting requirements and disciplinary rules prescribed by the University, Nursing Council and institution.

Professional conduct, punctuality, respect for patients, confidentiality, appropriate dress and ethical practice shall be expected at all times.

16. Examination and Evaluation

Assessment shall be conducted in accordance with the regulations of the affiliating University and applicable Nursing Council guidelines.

Evaluation may include theory examinations, practical examinations, clinical assessments, internal assessments, assignments, presentations and other prescribed components.

17. Career Opportunities

Successful completion of Post Basic B.Sc. Nursing can provide opportunities for professional advancement in areas such as:

- Staff Nurse and Clinical Nurse
- Senior Nursing positions, subject to experience and recruitment rules
- Nursing education and teaching, subject to prescribed qualifications
- Nursing administration and management
- Community health services
- Specialised clinical nursing
- Higher studies, including M.Sc. Nursing, subject to eligibility

18. General Instructions to Applicants

- Applicants should ensure that they fulfil all prescribed eligibility criteria.
- All details furnished in the application should be accurate.
- Admission is subject to verification of original documents.
- Fees once paid shall be governed by the institution's approved refund policy and applicable regulations.

- The institution reserves the right to make changes in the academic calendar or admission schedule in accordance with directions issued by competent authorities.
- Any matters not covered in this prospectus shall be governed by the applicable rules and regulations of the University, Nursing Council and Government.
